Troop Approval Steps and Timelines:

The entire process, from identifying a project to receiving District approval typically takes up to 3-4 months. Expect to go through several revisions with your Project Mentor, Scoutmaster, Committee Chair, and the Lake Shores District. These may include in-person meetings and email communication.

Tip: Start tracking the time you and your volunteers spend on the project, including planning time. This will be essential for your final report.

Project Planning: *(Allow up to 6 weeks)*

Choose a project and an Eagle Project Coach. Meet with your Scoutmaster to select a coach who aligns well with you and your project. Your Eagle Project Coach will guide and advise you through the process of planning and executing your Eagle Scout Service Project. They will assist with planning, offer advice on health and safety considerations, and help get your project started. When your coach feels you're ready, submit your proposal to the Scoutmaster via email.

Scoutmaster Approval: *(Allow 2-3 weeks)*

- Work with your Scoutmaster to make necessary revisions.
- Once approved, email the Committee Chair for further revisions and approval.

Committee Chair Approval: (*Allow 2-3 weeks*)

- Work with the Committee Chair for final revisions and seek approval. This is your last step before submitting your proposal to the district, so ensure it's your best work.

District Approval

Submit your review request **30 days before** you intend to start your project. To expedite the process:

- Respond promptly to emails.
- Include your Project Coach, Scoutmaster and Committee Chair in all correspondence.

Note: The more thoroughly you refine your project with the Project Coach, Scoutmaster, and Committee Chair, the quicker the district can approve it, allowing you to begin sooner.

After Project Approval

- Complete the project plan section of the workbook with your Eagle Mentor.
- Work with your Scoutmaster and Patrol Leaders' Council (PLC) to schedule your project.
- Post your project on Troopkit and promote it at Troop and Parent Meetings.
- Coordinate with your Troop's Quartermaster to request any needed supplies.

Complete Eagle Scout Service Project:

- Fill out the **Project Report** section of the Workbook.
- Obtain signatures from your Beneficiary and your Scoutmaster.
